Robert Todd is president of the ACBL Education Foundation and a frequent contributor to the Bridge Bulletin. In his Bridge Bulletin article series, Reasoning with Robert, he reminds us that, **"It is important to learn how to think of defense by making a plan for how to defend the entire deal and working on your technical card play to each trick."** Don't miss this golden opportunity, right here at your home club, to hear from Robert Todd as he helps your competitors become better bridge players.
